Message from Mr. B.Chandrashekhar

Jt. Chairperson (Finance)
D.B.M.S. Board of trustees
&
President
D.B.M.S. College of Education

D.B.M.S. College of Education was conceived almost four years ago. As with any other of our projects undertaken for the welfare of the people, resource mobilization was a big challenge , but it took shape albeit slowly.

Since our children are future citizens of our country, their teachers should have capacity to mould and shape children's mind for them to be worthy and talented individuals when they grow up. Thus our noble task is to "Train the Trainers".

When we take up a task with a spirit of dedication and selfless efforts, help is showered by the divine forces.

It is mutual – परस्परं भावयन्तः श्रेयः परमवाप्स्यथ ।

(Geeta Chapter III – 11th Shloka)

Our project in hand is undertaken with a spirit of selfless service for the community. Let us all pray for its success.

B. Chandrashekhar

Message from Mrs. Lalitha Chandrashekhar

Jt. Chairperson (Administration)
D.B.M.S. Board of trustees

My experience with education over the past more than 3 decades indicates that it is one of the most difficult task to get qualified and competent teachers for the schools in Jamshedpur. The Stalwarts of DBMS Trust Mrs. B. Neelakantan and Mr. B. Chandrashekhar decided to embark upon setting up a quality institution for teachers training leading to Bachelors

degree in Education. Mr. B. Chadrashekhar , our Jt. Chairperson's untiring efforts for 4 years resulted in setting up this prestigious organization called D.B.M.S. College of Education. Our objective is to provide high standards of academic excellence backed up by a state of the art infrastructure. Our students, when they graduate, will be equipped with talent, practical training and a high degree of communication skills. This will be our gift to the citizens of Jamshedpur and to Jharkhand. Let us hope our ambitious project fulfils the demands of time.

I wish this Project All Success.

Mrs. Lalitha Chandrashekhar

Message from Dr. Joohi Samarpita

Principal
D.B.M.S. College of Education

DBMS has been in existence in the field of Education since 1961, and today it is a brand that we are all very deservedly proud of. Opening of DBMS College of Education in July, 2018 was another feather in the cap of DBMS Trust. Honourable Chief Minister of Jharkhand Shri Raghubar Das dedicated DBMS College of Education to the tribal state of Jharkhand.

Since its inception DBMS College of Education has been living up to the expectations of Jharkhand. In a very short span this institution has carved a niche for itself. Here we strive for perfection without compromising on quality of education. With state of art educational infrastructure the college provides top quality education to the prospective teachers.

APJ Abdul Kalam had rightly said that the destiny of India is shaped in its classrooms. We at DBMS College of Education are committed to igniting and shaping Gen Z into responsible teachers who in turn will influence the destiny of many more generations of India's youth. It gives me immense satisfaction in promoting excellence and contributing in our own way towards nation building.

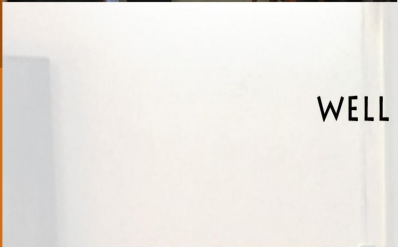

Dr. Joohi Samarpita

WHY CHOOSE D.B.M.S.

DBMS College of Education is the only college which does not compromise on quality of education. It focuses on the all-round development of the prospective teachers who are going to shape the destiny of India.

OUR ON-LINE ACTIVITIES :-

For the academic world it was like slipping on banana peel when the pandemic COVID- 19 broke out. But our faculty members and the students were well prepared to face the challenges.

DBMS College of Education since its inception had introduced its students to Google platform. Each student was connected to our college mail Id & Google drive, where they received all types of notifications and study materials from principal & teachers. A National Webinar was also organized on how to deal with the situation which was addressed by eminent educationists of the country.

On-line classes were held regularly throughout the lock-down and the first batch of students passed out with flying colours. They are now trained to conduct online and off line classes. Some of them have already been placed in very good schools of the steel city of Jamshedpur.
