JAMSHEDPUR

- Students are given awards and rewards for merit achievement.
- Mentoring system with regular monitoring of attendance of students and their performance in examinations.
- Reputation and prestige of the college is rated high by students for its overall training, holistic development, and academic results & placements.
- Institute location- easily accessible to all the stakeholders.

## **WEAKNESSES**

- Publications by the faculty in UGC/Scopus journals need to improve.
- Less number of research projects taken up.
- Limited research funding to the faculty from various government agencies.

## **OPPORTUNITIES**

- To establish linkages and collaborations with State and National Level academic institutions.
- To utilize facilities available with management for exchange programs for teachers and students.
- Quality sustenance and enhancement with available facilities and resources.
- To maintain research culture and professionalism in the teacher education system.
- Use of alumni-base for institutional growth.
- More research funding opportunities.
- Availability of plenty of on-line teaching resources to the students & faculty.

## **CHALLENGES**

- To develop formal contingency plans.
- Financial management with deficit budgeting
- Tapping state and central resources for research grant
- Conducting action research to solve the educational management problems of the institution.
