## **HPV VACCINE CAMP**

**WAS ORGANISED BY ROTARACT CLUB OF  
D.B.M.S. COLLEGE OF EDUCATION IN  
COLLABORATION WITH MEHERBAI TATA  
MEMORIAL HOSPITAL AND ROTARY CLUB  
OF JAMSHEDPUR WEST, JAMSHEDPUR,  
JHARKHAND**

**VENUE: COLLEGE AUDITORIUM**

### **INTRODUCTION**

The HPV vaccination is crucial for protecting against HPV-related cancers and other diseases, especially cervical cancer in women, and is recommended for everyone. Vaccination reduces the risk of HPV infection and subsequent development of cancers by up to 90%. The Rotaract Club of D.B.M.S. College of Education in collaboration with Meherbai Tata Memorial Hospital and Rotary Club of Jamshedpur West successfully organized a cervical cancer vaccine camp for female students of the college as well as students from the different units under the D.B.M.S. Trust.

### **CONTEXT**

Cervical cancer is a significant health concern for women, and vaccination is a crucial preventive measure. The camp aimed to protect young women from cervical cancer. The HPV vaccine for cervical cancer prevention has a recommended vaccination schedule that varies based on age. Generally, individuals aged 9-14 receive two doses, while those 15 years and older receive three doses. The timing of these doses is also different for each group.

# D.B.M.S. College of Education

(Recognised by National Council for Teacher Education)

Affiliated to Kolhan University, Chaibasa & J. A. C., Ranchi, Jharkhand

Road No. 23, Farm Area, Kadma, Jamshedpur-831005 | Phone : 2309097

E-mail : dbms.edu23@gmail.com | Website : dbmscollege.in

Detailed Schedule:

- 9-14 years old: Two doses, given 6-12 months apart.
- 15 years and older: Three doses. The second dose is given 1-2 months after the first, and the third dose is given 6 months after the first.

## **OBJECTIVE**

The objective of the camp was to provide cervical cancer vaccination to female students, promoting their health and well-being.

## **PROCEDURE**

The vaccination program was conducted in three doses:

- First dose: Administered on February 28, 2025
- Second dose: Administered on April 28, 2025
- *Third dose: Scheduled for August 30, 2025*

## **IMPACT & OUTCOME**

The cervical cancer vaccine camp had a significant impact, with:

- 100 female students vaccinated
- Increased awareness about cervical cancer prevention
- Protection of young women from cervical cancer

## **CONCLUSION**

The cervical cancer vaccine camp, organized by the Rotaract Club of D.B.M.S. College of Education in collaboration with MTMH and Rotary Club of Jamshedpur West, was a huge success. We look forward to the successful completion of the vaccination program and the long-term benefits it will bring to the health and well-being of our students.

Dear Dr Joohi,  
In our earlier interaction at your institute, the need to immunize girl students against Cervical Cancer with the HPV vaccine was discussed. Rotary District 3250 is sponsoring 50% of the cost of vaccine through a tie-up with Serum Institute of India. 50% needs to be collected from the individual/ through donation.  
MTMH will facilitate the immunization of students. We are planning to do it in February 25, as this is the Cervical Cancer Awareness Month.  
We will need the following before the plan is finalized:

1. Awareness on cervical cancer for the guardians and students -MTMH will conduct the session(s).
2. Commitment for payment on the remaining 50% of cost, around Rs.1250 per dose ( 2 doses will be administered).
3. Consent of parents.
4. Total number of students to be vaccinated- this information will need to be communicated to Rotary.

Do let me know the dates and number of students.  
With regards,

Dr Sujata Mitra  
Advisor to Chairman,MTMH

Dear Dr Joochi,

MTMH team will be there on February 28<sup>th</sup> to carry out the HPV vaccine (1st dose) of 86 girls.

Serum Institute representative at Jamshedpur has been contacted for the required doses.

Would request the payment for 86 doses (+ 4 of previous session) to be made to Serum Institute @ Rs. 1250 per dose- the account details are provided in the cancelled cheque given.

We would like to begin by 9.00 AM- will let you know the exact time after our team discussion.

With regards,

Dr Sujata Mitra
