## **ECO CLUB OF D.B.M.S. COLLEGE OF EDUCATION ORGANISES “TERRA FEST-EARTH DAY” ON 22-04-2025**

**VENUE: COLLEGE AUDITORIUM**

**JUDGES: MRS. SEEMA KUMAR, PRESIDENT OF ROTARY CLUB OF  
JAMSHEDPUR FEMINA AND MRS. GARIMA ROHILLA, CO-  
FOUNDER OF KORU FOUNDATION**

### **INTRODUCTION:**

Earth Day is an annual global event celebrated on April 22nd to promote environmental protection and sustainability. It serves as a reminder of our collective responsibility to preserve the planet for future generations.

### **CONTEXT:**

Earth Day was first observed in 1970, sparked by growing concerns about pollution, conservation, and the impact of human activities on the environment. It has become a significant event, with millions of people worldwide participating in activities, campaigns, and initiatives.

### **OBJECTIVE**

- To promote environmental awareness among students through creative and engaging activities.
- To encourage the practice of recycling and upcycling by creating fashion and educational tools from waste materials.

E-mail : dbms.edu23@gmail.com | Website : dbmscollege.in

- To foster innovation and creativity in designing sustainable teaching-learning materials.
- To develop a sense of responsibility towards environmental conservation and sustainable living.

## **PROCESS**

On 22nd April 2025, D.B.M.S. College of Education celebrated Earth Day with great enthusiasm by organizing two unique competitions —Trashion Show and EcoEdu Tools—under the banner of the college's Eco Club.

The program began at 11:30 A.M. with a warm welcome to the esteemed judges — Mrs Seema Kumar, President of Rotary Club of Jamshedpur Femina, and Mrs.Garima Rohilla, Co- Founder of Koru Foundation—who brought valuable insights and encouragement to the participants.

In the Trashion Show, students showcased garments made from waste materials, creatively transforming trash into fashion to spread the message of reuse and responsible consumption. The EcoEdu Tools competition highlighted the innovative spirit of teacher trainees who designed teaching-learning materials using discarded and recyclable items, proving that effective education can be both eco-friendly and resourceful. The judges appreciated the originality and environmental consciousness demonstrated by the participants. The event concluded with a prize distribution ceremony, graced by the Principal and dignitaries. The active involvement of the Eco Club and the enthusiastic participation of students made the Earth Day celebration a vibrant and inspiring success.

## **OUTCOME**

- Students showcased creativity by designing outfits from waste materials in the Trashion event, promoting the idea of reuse and recycling.

- In the Eco-Edu Tools competition, innovative teaching-learning materials were created using e-waste and recyclable items, encouraging sustainability in education.

## **CONCLUSION**

The Earth Day celebration at D.B.M.S. College of Education served as a meaningful reminder of our responsibility toward the planet. Through engaging activities, awareness sessions, and collective participation, the event successfully highlighted the importance of sustainable living and environmental stewardship.
