To provide an opportunity to understand and appreciate the religious and cultural significance of Christmas.

- **Encourage Student Participation and Talent:**

To showcase the talents of students through music, dance, drama, and other creative performances themed around Christmas.

PROCEDURE

The vibrant Christmas decorations, including a beautifully adorned Christmas tree and an intricately designed Nativity scene, set a festive tone for the event.

- One of the highlights of the celebration was the dance performance by the first-semester students. Their dance depicted the joy and unity that Christmas brings to people of all ages and backgrounds. It was a delight to watch the students express the festive cheer through their coordinated and spirited performance, earning thunderous applause from the audience.
- The centerpiece of the celebration was the Christmas play, *Little Women: A Tale of Kindness and Helping One Another*. Inspired by Louisa May Alcott's classic, the play portrayed the story of the March sisters and their selfless acts of kindness. Set against the backdrop of the Civil War, the narrative highlighted the values of generosity, sacrifice, and familial love.
- The musical score accompanying the play further elevated its impact. Traditional carols, such as *Jingle Bells*, resonated throughout the hall, evoking a sense of serenity and reflection.
- Santa Claus made a surprise appearance, delighting students and teachers alike with his jolly demeanor and a sack full of goodies.
