Title of The Programme	: Faculty Exchange Program
Organizing Cell	Internal Quality Assurance Cell (IQAC)
Date	: 12th April 2025
Time	: 9:30 a.m. to 4:30 p.m.
Venue	: Auditorium, D.B.M.S. College of Education, Kadma, Jamshedpur – 831005, Jharkhand
Topic	: One-Day Workshop on “Input, Process and Outcome of the NAAC New Binary Accreditation System & Indian Knowledge System”
Resource Person	: Mr. Dilip Mangaraj, Director, IQAC GUIDE, Bhubaneswar, Odisha

CONTEXT

As part of continued efforts to foster academic collaboration, professional development, and quality enhancement in teacher education, the Internal Quality Assurance Cell (IQAC) of D.B.M.S. College of Education organized a one-day workshop focusing on the New Binary Accreditation System introduced by NAAC and the integration of the Indian Knowledge System (IKS) into higher education.

To enrich the discourse and encourage cross-institutional dialogue, this workshop was conducted in the spirit of a Faculty Exchange Program, welcoming participants from multiple institutions. In particular, faculty members from Rambha College of Education and MBNS College of Education were formally invited under this exchange initiative.

OBJECTIVES OF THE WORKSHOP

- To build a thorough understanding of the NAAC's New Binary Accreditation System among faculty and administrators.
- To explain the Input–Process–Outcome (IPO) model as a foundational framework for institutional quality enhancement.
- To promote the incorporation of the Indian Knowledge System (IKS) into curriculum and pedagogy.
- To build institutional capacity for data collection, documentation, and NAAC compliance.
- To facilitate inter-institutional academic exchange, collaboration, and professional networking.

STRUCTURE OF THE PROGRAM

1. Inaugural Session:

The event began with a formal welcome address by the NAAC Coordinator of D.B.M.S. College of Education, highlighting the importance of quality benchmarking and academic collaboration. The resource person, Mr. Dilip Mangaraj, was introduced, and the goals of the workshop were outlined.

2. Technical Session I – Understanding the Binary Accreditation System:

Mr. Mangaraj explained the transition from the traditional graded accreditation to the binary system. Detailed insights were provided into qualitative and quantitative indicators under the Input, process, output (IPO) framework. Faculty members from Rambha and MBNS Colleges raised important queries about aligning their institutional practices with the new NAAC guidelines. The discussion facilitated a deep dive into the significance of evidence-based practices, data quality, and continuous quality improvement.

3. Technical Session II – Indian Knowledge System (IKS) in Teacher Education:

The second session introduced participants to the core concepts and values of the Indian Knowledge System and its role in national education policy. The session emphasized how ancient knowledge traditions can be harmonized with modern pedagogy. Rambha and MBNS Colleges shared examples of local cultural integration and community practices that could align with IKS principles.

4. Interactive and Collaborative Activity:

Participants were divided into cross-institutional groups and asked to map their college activities using the IPO model. This activity encouraged peer learning and strategy-sharing. Faculty from Rambha and MBNS Colleges contributed innovative ideas, such as developing IKS-based resource modules, documenting local educational practices, and setting up institution-level quality circles.

5. Valedictory Session:

Participants provided feedback on the sessions and highlighted key takeaways. Certificates of participation were distributed by the Principal and the IQAC Coordinator. The session concluded with a vote of thanks, emphasizing the need for continued academic exchange and collaborative capacity building.

KEY OUTCOMES OF THE FACULTY EXCHANGE

- All the participants including faculty from Rambha and MBNS Colleges gained enhanced clarity on the structure, evaluation parameters, and documentation processes under the Binary Accreditation System.

- Marked interest was shown in forming institutional strategies for better record-keeping, data alignment, and outcome measurement.
- Participants appreciated the relevance of the Indian Knowledge System in making teaching more contextual, culturally rooted, and value-based.
- The exchange facilitated inter-college dialogue, fostering mutual learning, resource sharing, and a sense of academic community.

FOLLOW-UP ACTIONS PROPOSED

- Establishing a joint working group on NAAC documentation among participating colleges.
- Organizing a student-faculty seminar on Indian Knowledge System applications.
- Initiating bi-annual faculty exchange visits for collaborative teaching-learning reviews.
- Setting up institutional repositories for IKS-integrated teaching materials.
- Strengthening IQAC collaboration for peer review and academic audits.

CONCLUSION

The Faculty Exchange Program held in conjunction with the NAAC and IKS workshop proved to be a valuable initiative for institutional learning, faculty development, and inter-collegiate collaboration. The meaningful participation of Rambha College of Education and MBNS College of Education not only enriched the workshop but also laid the groundwork for future cooperative efforts in quality enhancement and indigenous curriculum integration.
