INTRODUCTION

NSS Unit 1 organized a civil defence mock drill on May 7, 2025, to enhance emergency preparedness and response protocols in light of recent events.

OBJECTIVE

The drill aimed to:

- Evaluate emergency response systems
- Test communication links, control rooms, and evacuation procedures
- Enhance preparedness for potential threats

PROCEDURE

A video posted by government officials was shown to students to educate them on the importance of safety drills. The procedure included:

- Exit and Assembly Points: Students were informed about the exit routes and assembly points in the college, is Classroom 1 (Ground Floor) designated as the assembly point.
- Air Raid Shelter: Students were educated about the air raid shelter and the precautions taken to protect themselves during an air raid.
- Mock Drill: A mock drill was conducted to simulate an air raid scenario, and students were instructed on how to respond safely.
