## **REPORT**

**Title of the Programme** : **EARTH DAY**  
**Organizing Club/ Cell** : **Eco Club**  
**Date** : **22<sup>nd</sup> April, 2024**

### **CONTEXT**

To promote environmental awareness and sustainable practices among teacher trainees, the Eco Club of D.B.M.S. College of Education organized a series of activities to celebrate Earth Day 2024.

### **OBJECTIVES**

- ❖ To encourage creative use of eco-friendly materials through teaching-learning material (TLM) making.
- ❖ To raise awareness about environmental issues like plastic pollution through interactive performances.
- ❖ To develop a sense of responsibility towards nature among future educators.

### **PROCESS**

On 19th April 2024, an Eco-Friendly TLM Making Competition was held for the B.Ed. batch of 2022–24, where students used recyclable and biodegradable materials to create educational aids. Mrs. Shipra Mishra, a teacher from Tata Workers Union School, judged the event and appreciated the innovative efforts.

On 22nd April 2024 at 12 PM, a Nukkad Natak (street play) competition was conducted, judged by Mrs. Sripriya Dhramaranjan and Mrs. Tamil Selvi. The performances conveyed powerful environmental messages. The event concluded with an engaging PPT presentation titled "Planet vs Plastic" by Rana Mukherjee, which highlighted the dangers of plastic pollution and the need for sustainable alternatives.

## **OUTCOME**

- Students showcased excellent creativity and environmental sensitivity through their TLMs and street plays.
- The activities enhanced awareness about pressing environmental concerns.
- Participants and audience members gained insight into practical ways to reduce plastic use and promote eco-friendly habits.

## **CONCLUSION**

The Earth Day celebration at D.B.M.S. College of Education was a meaningful initiative that successfully combined creativity, education, and activism. The enthusiastic participation of students and guidance from respected judges made the event a memorable and impactful one, fostering a deeper sense of ecological responsibility in the academic community.
