<u>CONTEXT</u>

In today's rapidly evolving educational landscape, the integration of Artificial Intelligence (AI) has become increasingly important. AI has the potential to revolutionize teaching, learning, and assessment, making it essential for educators to develop the necessary skills to harness its power. The ICT Cell of Karim City College, Jamshedpur, recognized this need and organized a 5-day online workshop on "Empowering Educators-AI Tools for Smart Teaching, Assessment, and Academic Excellence."

<u>OBJECTIVES</u>

The primary objectives of the workshop were to:

- Equip educators with the knowledge and skills to effectively integrate AI tools into their teaching practices.
- Enhance educators' understanding of AI applications in teaching, learning, and assessment.
- Foster innovation and excellence in education through the use of AI tools.

PROCEDURE (5-DAY WORKSHOP)

The workshop was conducted over 5 days, with each day focusing on a specific theme:

- **Day 1:** Presentation on AI tools for Teaching, Learning, and Evaluation (TLE), including promoting ChatBoTs and drafting letters and reports.
- **Day 2:** Curriculum Design, Lecture notes generation, and content generation using AI.
- **Day 3:** Presentation making and informing graphs and visuals using AI.
- **Day 4:** Assessment design using AI.
- **Day 5:** Multimedia content generation and data analytics and visualization using AI.

Two faculty members from D.B.M.S. College attended the workshop, which was conducted by a Resource Person & Asst. Prof. of St. Joseph College, Tamil Nadu DR. VIMAL JERALD with expertise in AI applications in education.

IMPACT AND OUTCOMES

The workshop had a significant impact on the participants, equipping them with the knowledge and skills to effectively integrate AI tools into their teaching practices. The key outcomes included:

- **Enhanced AI Skills**: Participants gained proficiency in using AI tools to promote academic excellence and improve student outcomes.
- **Improved Teaching Practices:** Participants learned how to use AI tools to enhance their teaching practices, including curriculum design, content generation, and assessment design.
- **Increased Efficiency:** Participants discovered how to use AI tools to streamline their workflow and improve productivity.
