REPORT

Title of the Programme	: Paper Bag Day Celebration
Organising Club	: Eco Club
Date	: 12 th July 2025
Venue	: B.Ed. Classroom 1

CONTEXT

In response to growing environmental concerns and the need to reduce single-use plastic, D.B.M.S. College of Education took the initiative to celebrate Paper Bag Day. The program was designed to promote sustainable practices among budding educators and to align with the United Nations' Sustainable Development Goals (SDGs), especially SDG 12 (Responsible Consumption) and SDG 13 (Climate Action).

INTRODUCTION

Plastic pollution has become a major environmental issue globally. To create awareness about eco-friendly alternatives, Paper Bag Day was observed in the college with active participation from B.Ed. Semester I students. The event aimed at cultivating a sense of responsibility towards the environment through hands-on learning activities.

OBJECTIVES

- ❖ To educate students about the harmful effects of plastic and promote the use of eco-friendly alternatives.
- ❖ To encourage “learning by doing” by engaging students in paper bag making using recyclable materials.
- ❖ To promote creativity and sustainability in everyday practices aligned with the SDGs.

PROCESS

Under the guidance of eco club moderator, students of Semester I created paper bags using old newspapers, used calendars, cardboard cartons, and magazine pages. Each student was encouraged to explore innovative and decorative designs, embedding slogans such as “Say No to Plastic” and “Reuse, Recreate, Restore”. The activity was conducted in a participative and joyful environment, reinforcing environmental values through experiential learning.

OUTCOME

- ❖ Students gained hands-on experience in sustainable craft practices.
- ❖ Awareness about plastic pollution and the importance of eco-friendly alternatives was reinforced.
- ❖ The creative use of waste materials enhanced the concept of recycling and reusing.
- ❖ The event promoted environmental sensitivity and responsibility among future teachers.

CONCLUSION

The Paper Bag Day Celebration successfully combined creativity, environmental awareness, and practical learning. It empowered students to adopt sustainable habits and inspired them to integrate such values in their future teaching practices. The event was a step forward in shaping environmentally conscious educators and building a greener tomorrow.

DBMS College promotes sustainability on Paper Bag Day

J amshedpur, J uly 12: To mark World Paper Bag Day, students of the Eco Club at DBMS College of Education actively participated in a paper bag-making activity, spreading awareness about environmental sustainability. The session was led by college teacher Mousami Dutta, who explained the harmful impact of polythene on the natural environment. Students learned that polythene use contributes to pollution and ecological damage, while paper bags, made from biodegradable and recyclable materials, offer a safer alternative. The students enthusiastically crafted paper bags and took a pledge to use them in the future and to promote awareness about their benefits. The event aimed to inspire students to adopt eco-friendly habits and reject plastic usage in daily life. Present on the occasion were College Secretary Priya Dharmarajan, Joint Secretary Sudha Dilip, Principal Dr. Joohi Samarpita, Vice Principal Dr. Monica Uppal, and other faculty members.
