INTRODUCTION

On July 13, 2025, gardeners from D.B.M.S. College of Education had the unique opportunity to participate in a "Workshop on General Gardening" conducted by the Horticultural Society Jamshedpur. This workshop was organized with the intention of imparting updated knowledge, practical skills, and new techniques in the field of gardening. The event was graced by Mrs. Sailaja SundarRamam as the Chief Guest and saw enthusiastic participation from diverse gardening enthusiasts across the city, including the dedicated gardeners of D.B.M.S. College of Education.

OBJECTIVES OF THE WORKSHOP

The main objectives of the workshop were:

- To provide practical knowledge and skills related to general gardening
-

- To familiarize participants with recent advancements and sustainable practices in horticulture
- To encourage networking and knowledge-sharing among gardening practitioners
- To uplift the gardening standards of participating organizations and individuals
- To promote the overall beautification and environmental sustainability through effective gardening methods

OUTCOMES AND BENEFITS TO D.B.M.S. COLLEGE OF EDUCATION GARDENERS

The gardeners representing DBMS College of Education derived multiple tangible and intangible benefits from this workshop, including:

1. ENHANCED GARDENING TECHNIQUES

Through live demonstrations and expert talks, the participants learned about:

- Soil management and selection of appropriate plants
- Efficient watering techniques and pest management
- Use of organic fertilizers and composting methods
- Seasonal planting and garden care schedules

2. EXPOSURE TO LATEST TRENDS

The gardeners were introduced to:

- Novel plant varieties and ornamental species suitable for the local climate
- Sustainable gardening practices that conserve water and soil
- Use of eco-friendly pest control solutions

3. PROBLEM-SOLVING AND TROUBLESHOOTING

- Interactive Q&A sessions allowed gardeners to:
- Discuss common gardening problems faced at D.B.M.S. College of Education campus
- Receive tailored solutions from experts and peer gardeners
- Share challenges and learn from others' experiences

4. INCREASED MOTIVATION AND CONFIDENCE

Participation instilled a greater sense of pride and motivation among the college gardeners, reinforcing their importance in maintaining and enhancing the campus green areas.

5. NETWORKING AND COLLABORATION

The event fostered connections with:

- Experts from the Horticultural Society
- Gardeners from other institutions
- These networks may prove valuable for ongoing learning and support.

CONCLUSION

The participation of D.B.M.S. College of Education gardeners in the "Workshop on General Gardening" was highly beneficial. The training and insights gained will directly contribute to the improved upkeep and development of the college's gardens. The gardeners are now better equipped with innovative techniques, updated knowledge, and renewed enthusiasm to apply sustainable gardening practices. This initiative not only enhanced their professional capabilities but will also positively impact the aesthetic and ecological environment of D.B.M.S. College of Education. The college management appreciates the opportunity provided by the Horticultural Society Jamshedpur and looks forward to more such collaborations for the continuous professional development of its staff.
