ACTIVITY DONE

Mrs. Pamela Ghosh Dutta briefed the students about the, do's and dont's to be followed at the centre. After reaching the Cheshire home, students received a warm welcome from the sister in charge. The home was neat and clean and surrounded by greenery. Students handed over the items they brought for the residents, like noodles, milk powder, biscuits, woollen cloths and slippers to the sister. Then they met the residents of the home. They conversed, played games, danced and sang with them. Inmates of Cheshire Home were very happy to meet the students.

They learnt to treat them respectfully. This visit also helped future educators to understand their students better and develop stronger relationships with them.
