## **CONTEXT**

As per the telephonic conversation between Mrs. Prabha Jaisawal, Founder of Kishlay Palnaghar and Dr. Joohi Samarpita, Principal of D.B.M.S. College of Education, on 1st March 2025, students of the college visited *Kishlay Palna Ghar* in Sonari—a day care centre run by Adarsh Seva Sansthan for the children of underprivileged working women. Operating from 8 a.m. to 6 p.m., the centre provides a nurturing space for children while their mothers are at work. During their visit, the students spent meaningful time interacting with the children, engaging them in playful and joyful moments. The college generously contributed essential items, including milk powder, biscuits, chocolates, and toys, extending warmth and care to the young hearts. Students also visited the Diksha Cloth Bank, Sonari, to deposit used clothes for the needy one.

## **OBJECTIVE**

The visit to Kishlay Palna Ghar offered the students an opportunity to better understand the circumstances in which these children are raised and to gain insight into the diverse social backgrounds and challenges faced by their families. This experience helped foster empathy, awareness, and a deeper sense of social responsibility among the students. Depositing clothes into a clothes bank can foster a sense of values and responsibility among students. The objective was to encourage them to think beyond their own needs and consider well-being of others.

## **ACTIVITY DONE**

Students assembled at the college gate at 3 p.m. After collecting the items, they started their visit to Palna Ghar. They accompanied their teacher, Mrs. Pamela Ghosh Dutta and arrived at Kishlay Palna Ghar at 4 p.m., as scheduled. While on the way, they visited Diksha Cloth Bank and donated old clothes. After reaching the Palna Ghar, they were warmly welcomed by the creche in-charge, to whom they handed over the donated items with care and affection. Following this, the students met the children and spent joyful moments interacting with them. They engaged in friendly conversations, played games, sang songs, and danced together, filling the room with laughter and warmth. The children, in turn, delighted the visitors by reciting rhymes they had learned. During the visit, the in-charge shared valuable insights into the children's daily routine, the care they receive at the creche, and the various needs and challenges they face. This exchange provided the students with a deeper understanding of the vital role the centre plays in nurturing these young lives.

## **LEARNING OUTCOMES**

The visit to the Clothes Bank and Palna Ghar instilled a deeper sense of social awareness and empathy in students. It nurtured in them a strong sense of community values and a genuine concern for the well-being of others. By witnessing the challenges faced by underprivileged children, the students gained a meaningful understanding of social inequality and the importance of compassion, inclusion, and collective responsibility.

## **CONCLUSION**

As future educators, B.Ed. Students must develop an understanding of the diverse social strata that surround them. They need to understand the challenges faced by deprived communities. The visit to the clothes bank promotes a sense of community support, and Palna Ghar offered the students a valuable opportunity to connect with children from underprivileged backgrounds. The experience will remain in their hearts and minds as they step into their roles as compassionate and socially aware teachers. Truly, it was a day marked by heartfelt learning, shared humanity, and the spirit of service.
