SELF STUDY COURSE

CONTEXT

A self-study course is a course that is completed individually by the student on their own time and schedule. There is no real time instructor like in a webinar or a classroom set up. Self-study course involves setting realistic goals, finding effective learning methods and staying organized. These strategies can help students optimize their study routine and improve their chances of academic success

The Passport to Earning (P2E) platform, developed by UNICEF and Generation Unlimited, offers free, world-class, and job-relevant skills training to young people aged 14-29. The platform aims to empower youth with essential skills and opportunities to succeed in the 21st-century job market.

Key aspects of Passport to Earning (P2E):

- **FREE AND ACCESSIBLE:**

The platform is offered free of charge to organizations working with young people, making it widely accessible.

- **SKILLS FOCUS:**

P2E provides training in essential skills like digital literacy, financial literacy, and employability skills.
