Dear Madam/Sir

Indira Gandhi National Open University (IGNOU) has been offering a host of need-based academic programs through ODL (open distance learning) and online mode. Programs are offered at different levels like Master, Bachelor, PG Diploma, Diploma and Certificate etc from varied disciplines. As programs are offered through ODL mode which adopts a flexible approach in its functioning and provides a flexible learning environment to the learners, the interested candidates who are willing to acquire new knowledge, build skills and develop competencies can join IGNOU programs and fulfill their educational aspirations along with their regular studies.

IGNOU has a country-wide network of Regional Centres and study Centres to extend required support to its learners. IGNOU Regional Centre at Ranchi which was established on 16th March 2000, has been offering varied programs and providing learner support to its learners through 50 learner support centres spread across 17 districts of Jharkhand.

As the university has been mandated to reach out to the unreached by taking education to the doorsteps of the people, **I would like to request to arrange an awareness meeting with the students of B Ed and DLED Programs at 9.30 am on 07.2.2026 (saturday) at your place to address them and share with them the educational opportunities available in IGNOU.**

Looking forward to receiving a quick positive response from your end.
